General Description

Product Title: WypAll® CriticalClean™ WetTask™ Wipers for Bleach, Disinfectants, and Sanitizers (06411), Center-Pull Roll, White, Bucket Included (140 Sheets/Roll, 6 Rolls/Case, 840 Sheets/Case)

Description: WypAll® CriticalClean™ WetTask™ Wipes for Bleach, Disinfectants, and Sanitizers are an effective, efficient alternative to open bucket/towel or spray/towel cleaning. They're built for critical tasks, such as health care and food service surface cleaning where effective, easy-to-use cleaning tools are of utmost importance. WypAll® CriticalClean™ meltblown wipes are designed specifically for compatibility with Quats (i.e. quaternary ammonium compounds) and Bleach to ensure continuous PPM active strength over at least 24 hours. And to improve space-saving efficiency, this item comes with six refill rolls and one bucket. The airtight closed bucket system enables cleaners and patrons alike to avoid mist exposure from spray as well as vapor and potential splash exposure from an open bucket. With its enclosed disposable wiping system, WetTask™ can cut chemical usage by 20%, eliminate laundering and reduce VOC emissions for a more hygienic, cost-effective workplace.

Feature A:

1. 140 Sheets/Roll; 6 Rolls of WypAll® CriticalClean™ WetTask™ Wipers for Bleach, Disinfectants, and Sanitizers/Case; 840 Sheets/Case; White; Center-Pull Roll; Bucket Included
2. Maintains active strength over 24 hours when microfiber, cloth, and cellulose wipes do not (based on a Kimberly-Clark time-bound study).
3. Reduces chemical exposure; No open bucket spills or fumes; eliminates spray mist exposure
4. Captures sizeable savings; Lowers chemical cost/use with wipes in an airtight seal; reduces packaging/cost via refills
5. Useful with Bleach, Disinfectants, and Sanitizers

Size Characteristic: Not Applicable

Packaging

Number of Saleable Packages: 6

Shipping

Package Matl Characteristic: Corrugated

Default Load Code: Layer

Equivalent Cases: 1

Standard Units: 0.39
