Safety Zone® Medium Weight Cotton Polyester Economy String Knit Gloves, Natural, Women's, 12/pk - 25 pks/cs

Safety Zone® Medium Weight String Knit gloves provide breathable hand protection for warehouse and general maintenance. Made from a comfortable blend of 60% polyester and 40% cotton, the knit fabric promotes air circulation to reduce heat buildup, even during long shifts. The flexible construction ensures a snug fit that conforms to the natural hand contours for good mobility. With 7 gauge thickness, these gloves are suitable for general maintenance, shipping, warehouse tasks, and light-duty work that requires protection without sacrificing mobility. They also double as thermal glove liners, adding insulation beneath other gloves in cold or outdoor environments. Durable enough for repeated use, they are an economical choice for reusable PPE. Whether worn alone or layered, these gloves protect hands while maintaining productivity and comfort. Hospeco Brands designs thoughtful, dependable hand protection products that support safety, performance, and everyday value in professional environments.
