Short Description

- Redirect roof or pipe leaks to prevent water damage
- Corners contain grommets for bungee or zip tie attachment
- Constructed with cinched corners for quick and easy installation

Description

Durable, puncture resistant, and watertight EnGuard™ I PVC coated yellow fabric is designed to channel overhead pipe and ceiling leaks to containers or floor drains. Diverters help provide a fast and economical way to protect your personnel, equipment, and inventory. Simply connect to a standard garden hose to drain water safely away. Flow rate of 3.3 gal/min (12.5 L/min).
