

EURO-STYLE 30" SLIDE-IN GAS RANGE

Signature Features

DURAFINISH™ PROTECTION

With excellence in every detail, DuraFinish™ Protection keeps your cooktop's surface looking like new, resisting yellowing, staining and scratching.

TRUE CONVECTION

True convection uses a heating element behind the convection fan in addition to the bake and broil elements to provide even heat distribution throughout the oven.

AQUALIFT® SELF-CLEANING TECHNOLOGY

An oven cleaning technology designed to minimize the time, temperature and odors that typically come from standard self-cleaning ovens.

19,000-BTU DUAL-STACKED POWERBURNER

This dual-stacked burner helps you achieve exceptional results with high-heat cooking techniques like searing or wok cooking while also giving you the control for delicate simmering.

TELESCOPING GLIDE RACK

This roll-out rack lets you easily position and remove dishes.

BAKING DRAWER

Adding additional baking capacity, our baking drawer offers an array of options for cooking and entertaining and provides a convenient alternative to oven baking and roasting, while still giving you the option to keep food warm, proof bread and warm plates before serving.

BRASS BURNERS

Elegant brass burners effectively channel heat for desired cooking results.

Technical Specifications
