FEATURES & BENEFITS

- Controls pests for up to four weeks
- Designed for use on furniture, mattresses, and other non-washable items

APPLICATIONS

Distributed by:

- For bedding and furniture
- Kills lice and their eggs on furniture, mattresses, and other non-washable items
- Spray only those garments and parts of bedding, including mattresses and furniture that cannot be either laundered or dry cleaned.

DIRECTIONS FOR USE Shake well before using.

Not for use on humans.

BED BUGS: Spray mattresses, particularly around tufts and seams. Take beds apart and spray into all joints. After mattress is dry, cover with mattress cover and sheet; do not use mattress without cover. Treat baseboards, moldings and floors. Repeat if re-infestation occurs, but not more than once every 2 weeks. If lice infestation should occur on humans, use a product labeled for use on humans.

TO KILL LICE AND LOUSE EGGS: Prior to large-scale applications, spray in an inconspicuous area to test for possible staining or discoloration. Inspect after drying, then proceed to spray from a distance of 8–10 inches. Spray each square foot for three seconds. Allow all sprayed articles to thoroughly dry before use. Spray only those garments and parts of bedding, including mattresses and furniture that cannot be either laundered or cleaned. Do not use on sheets or pillowcases. If lice infestations occur on humans, use a product labeled for use on humans.

Be sure to read all directions, precautionary and first aid statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician.
