

NON-ALCOHOL HAND SANITIZER

Sunshine Lemon Fragrance

Non-Alcohol Hand sanitizer is a benzalkonium chloride based, triclosan-free foaming anti-bacterial hand sanitizer with a sunshine lemon fragrance. Available in foamyiQ®, Lite'n Foamy®, or in convenient single-use tabletop foamers, Non-Alcohol Hand Sanitizer offers a valuable alternative to hand washing when water is not available.

NON-ALCOHOL HAND SANITIZER

FEATURES

- Non-alcohol, triclosan-free, foaming, antibacterial hand sanitizer
- Pleasant sunshine lemon fragrance
- Produces a thick, rich foam that leaves a clean and soft skin feeling after each use

foamyiQ® BENEFITS

- **Never install another dispenser:** With the innovative foamyiQ dispensing cartridge, dispensing is done directly from the cartridge
- **Never repair another dispenser:** With foamyiQ, there are no parts to replace, nothing to repair, and no downtime for maintenance
- **Never run out of soap:** Through the foamyiQ dispensing cartridges it's easy to see the soap levels, so you can simply replace the cartridge when the time is right
- **Never stock another dispenser:** foamyiQ eliminates the hassle and cost of storing replacement dispensers
- **Sustainable:** Recyclable and made from 25% post-consumer recycled material

LITE'N FOAMY® BENEFITS

- **Economical:** Bulk-fill products offer low cost-per-use
- **Sustainable:** With reduced packaging, Lite'n Foamy helps to reduce landfill waste
- **Versatile:** Touch-free or manual, wall or counter-mounted dispensers fit your specific application

RESPONSIBLE CHEMISTRY

- Benzalkonium Chloride-based
- Triclosan-free
