

Universal Hot Filtered - UNL-HO-304 | 119.0704.774

8.75-in Single Handle Hot Water Filtration Faucet in Stainless Steel. This faucet, when paired with the Franke HT-400 heating tank and Franke Filtration system (sold separately), can provide you and your family great tasting instant hot filtered water for drinking and cooking. Crafted with solid 304 stainless steel construction, this UNL-HO-304 hot water dispenser delivers unparalleled corrosion resistance both inside and out. Designed to complement our range of Franke kitchen products, this filtration faucet adds a cohesive touch to your kitchen.
