GFCI Whip Assembly for Furnace

Applications

The DiversiTech® FKM-12-8GFCI Furnace Whip Assembly offers a quick and easy solution for furnace installations and replacements.

Each pre-assembled kit comes with a pre-wired GFCI outlet and switch and 8 feet of flexible metallic conduit between the GFCI outlet and the electrical box for flexible placement during installs. Mounting hardware and electrical accessories are also included for an all-in-one solution.
