E7 100% AFUE MH Electric Furnaces

Unique Manufactured Housing Design with a robust, 20"W, fully-insulated cabinet to fit the classic MH footprint for replacement opportunities. The E7EM is the most versatile, future-friendly, HUD-compliant, MH electric furnace available.

4-Ton AC-Ready ECM Blower with 16 dip-switch speed-settings and factory or field-installed 31 1/2"H coil box to support increasing coil sizes needed to meet increasing DOE minimum-efficiencies. (High-static blower kit #1044062 also available).

Modern Controls include quiet heater relays and an integrated control board that eliminates the need for an additional time-delay relay, for split systems.

New & Replacement Application Accessories save the hassle of sourcing materials, field-fabrication, and repeat supply-house trips.

Dependable Warranty and Support, handled directly by Style Crest's dedicated HVAC Team, offering the most competitive warranty coverage and service in the Manufactured Housing Industry.

902989 - Grille with Frame, sold separately
