

Impact® Standard Black Janitor Cart w/ Yellow Bag, 1/cs

The Impact® Black Janitor Cart T0047-00 delivers reliable performance and organization for professional cleaning teams. Featuring a front platform sized to fit a standard 32-gallon trash container, this janitorial cart keeps waste collection centralized and efficient. A covered bin with odor-containing design, foldable handle for compact storage, adjustable middle shelf for customizable supply placement, and additional storage space help streamline daily tasks. Combining robust construction with smooth maneuverability, it supports housekeeping operations in schools, offices, hospitality venues, and healthcare facilities — reducing trips and improving productivity across any environment.

Key Features

- The cart's front area is specifically designed to securely hold a standard 32-gallon trash can, providing convenient waste disposal capabilities
- Foldable handle for easy storage
- Covered laundry/trash bin, keeping odors contained and maintaining a neat appearance
- Extra storage space and an adjustable middle shelf, ensuring supplies are readily available and conveniently located, saving time and effort
