## PET WASTE BAGS

Available now nationwide

All Westcraft pet waste disposal bags are made with abundant, all-natural minerals so they're less reliant on petrochemical materials, and our pet waste options are built exceptionally tough to defend against rips and tears.

### SINGLE-USE BAGS

A universal fit for most pet waste disposal stations—both in size and color

### 13-GALLON BAGS

Fits most 10 to 13-gallon receptacles; heavy duty with draw tape closures
