

SNAP-N-LOC®

Snap-N-Loc®

Description

The most innovative basket strainer in history. The basket seals to the body through a ball bearing in the post creating a positive leakproof seal. Deep cup body and basket are 300 series stainless steel and both are buffed creating a high polish finish. Hand knob and post are chrome plated brass and the ball bearing is 300 series stainless steel. Zinc nuts are standard. Available with brass tailnut (SS-306BTN) or brass tailnut and locknut (SS-306B).

Model

Jomar's New brushed stainless / satin nickel Snap-N-Loc® basket strainer fits all 3-1/2" sink openings and is easy to install. It is dishwasher safe and the ME-150 acrylic coating guarantees a lifetime warranty against scratches, discoloring or tarnishing.
