

# La Valle 43" Round Propane Fire Table

JENSEN CO  
ESTD 1982

Clean lines and a rustic finish give The La Valle an industrial edge while the low, modern profile suggests a sophisticated style. Featuring an efficient burner system that produces full, rich flames, this propane fire table can be converted to natural gas with a conversion kit that is sold separately. Choose from a flint or carbon color and complement this fire table with a matching propane tank cover.

- Handcrafted in the USA by our skilled team of artisans.
- Made from ultra-durable glass fiber reinforced concrete (GFRC).
- Heat, weather, and rust resistant.
- Battery operated electric ignition.
- Propane with natural gas option, sold separately.
- Includes protective cover, lava rock, and 8' LP hose with regulator.
- 2-year limited warranty on the burner and 5-year limited warranty on concrete body.
