

Split Ring Pipe Support J-312-A

Solid Ring Pipe Support J-212-A

Solid Ring Pipe Support with Seat Bumper J-112-A

Pipe Supports

Pipe supports can be used with Sloan Flushometers to help secure the installation. Ideal for use in high vandalism installations, particularly when high rough-in valves have been installed. Pipe supports are designed to accommodate a 1½" diameter tube (when used with a urinal Flushometer Model, install at the top of the Vacuum Breaker Tube).

► **Split Ring Pipe Support J-312-A**

□ YJ Variation
