The CleanRest PRO sleeper sofa encasement is the first and last encasement you'll need for the sleeper sofa mattress you're defending from bed bugs, allergens, dust mites, and accidental spills. PRO's 10-year warranty allows you to preemptively defend your sleeper sofa mattresses from bed bug infestation which reduces the amount of revenue lost to room closures, lawsuits, bedding spoilage, bed bug remediation, bad reviews, and brand damage. For this reason, we advise all hospitality properties to preemptively encase their sleeper sofa mattresses with PRO encasements to protect your guests, mattress assets, and bottom line from the high costs of recurring bed bug infestations.
