The CleanRest PRO Max is the newest member in our "preemptive" line of PRO encasements. It has four sides of waterproofing (top, bottom, and both long sides) with vented ends to allow warm air to escape the mattress so your guests will sleep cool. The PRO Max has all the features you've come to trust from our PRO line which includes patented bed bug, allergen, and dust mite defense, with waterproofing to protect against accidental spills. This product is backed by our 10-year PRO warranty to ensure this product is the first and last you'll need for the bed you're defending.

Sleep Cool!

Vented ends will allow warm air to escape the mattress.

Keep it on when you flip the mattress!
