DRINKING FAUCET

0364-L 0364-LV (Vandal Resistant)

The drinking faucet has a self-closing lever to operate valve. The valve body is cast brass with a replaceable seat. The connecting arm is forged brass with an adjustable restrictor that limits the flow through the faucet. The drinking faucet guard is forged brass with a self draining slot. All of the exterior surfaces of the drinking faucet are polished and chrome plated. Vandal-resistant cap is available on model number 0364-LV.
