

MARKETING

The Empress Earth Heavy Weight Bowl is designed to meet the demands of everyday dining and special occasions alike. With a capacity of 12 oz, it is perfect for serving generous portions of soups, salads, or desserts. Its heavy-weight construction ensures stability, making it suitable for both indoor and outdoor dining. The bowl's PFAS-free composition highlights a commitment to safety, providing peace of mind when serving food. Its natural aesthetic seamlessly integrates with various table settings, enhancing the dining experience without overshadowing the meal. Empress Earth prioritizes functionality and reliability, making this disposable bowl an essential addition to a host of dining establishments.
