

Tub Protectors

The Original Patented Foam Based Tub Protector. An Inexpensive Way to Protect Your Valuable Tub.

- Standard and custom sizes for every shape and size imaginable
- Made of heavy gauge high-impact plastic (HIPS/Styrene)
- Soft foam bottom grips tub surface to protect the finish from the abrasive action resulting from a protector moving under workman’s feet
- No setup or assembly time as you just pull out of the box and drop it into the tub
- Nest together for space-saving storage
- Most durable protectors yet can often be reused
- Fits both left and right-hand drain tubs
- Larger sizes are available and we can make custom-fit protectors for larger jobs
- Made in USA

Foam Bottom Tub Protector (styrene)

Poly Tub Protector

- Made of heavy gauge flexible poly plastic- durable, foldable, reusable over and over
- Translucent material for aesthetics
