

Silicone Sealant  
Joint en silicone  
Sellador de silicona

Rags  
Chiffons  
Trapos

**Plus/Plus/Más:**  
• Fasteners  
Fixations  
Herrajes

**Required/Requis/Requiere**

**⚠ WARNING: Risk of personal injury.**  
Edges are sharp. Wear gloves when handling the sink.

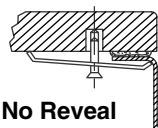

**⚠ ADVERTISSEMENT: Risque de blessures corporelles.**  
Les bords sont tranchants. Porter des gants lors de la manipulation de l'évier.

**⚠ ADVERTENCIA: Riesgo de lesiones personales.**  
Los filos son cortantes. Utilice guantes para manejar el fregadero.

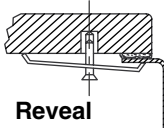

Choose a mounting style. Some models are offered with reveal and no-reveal mounting options. See the provided cut-out template for details.

Choisir un style de fixation. Certains modèles sont offerts avec des options de fixation avec exposition ou sans exposition. Consulter le gabarit découpé fourni pour obtenir des détails.

Seleccione un estilo de montaje. Algunos modelos tienen opciones de montaje con borde expuesto (no al ras) y sin borde expuesto. Consulte la plantilla de corte provista para detalles.

**No Reveal**  
**Rebord standard**  
**Sin borde expuesto**

**Reveal**  
**Rebord exposé**  
**Borde expuesto**

Provide your countertop supplier with your sink and faucet model number when ordering your countertop. When determining anchor locations, allow for faucet clearance.

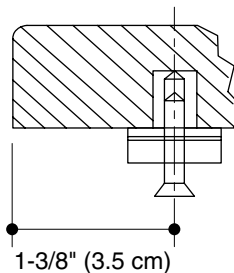

Fournir au fournisseur du comptoir le numéro de modèle du lavabo et du robinet au moment de la commande du comptoir. Lors du choix des emplacements des dispositifs d'ancrage, laisser un dégagement pour le robinet.

Proporcione al proveedor de la cubierta el número de modelo del fregadero y grifería al hacer el pedido de su cubierta. Al determinar los lugares para los anclajes, deje espacio para la grifería.

Fasteners are not included. The countertop supplier should install anchors into the underside of the countertop.

Les dispositifs d'ancrage ne sont pas inclus. Le fournisseur du comptoir doit installer les dispositifs d'ancrage dans le dessous du comptoir.

Los herrajes no se incluyen. El proveedor de la cubierta debe instalar los anclajes en el lado inferior de la cubierta.

For multiple-bowl installations, a minimum of 2-3/16" (5.6 cm) is required between bowls. Any required support should be determined by the countertop supplier.

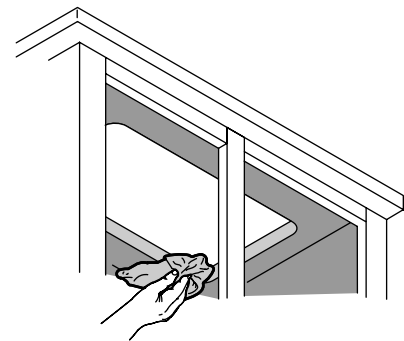

Pour l'installation de plusieurs bacs, un minimum de 2-3/16" (5,6 cm) est requis entre les bacs. Tout support nécessaire devrait être déterminé par le fournisseur du comptoir.

Distribuya el espacio entre los clips de fijación alrededor del lado inferior de la cubierta y fije sin apretar.

**1** Clean the top and underside of the counter and the rim of the sink.

Nettoyer le dessus et le dessous du comptoir et le rebord du lavabo.

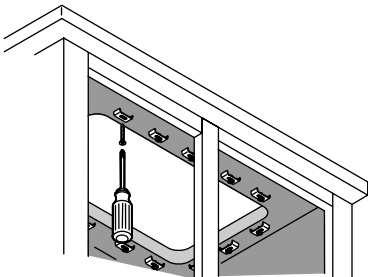

Limpie el lado superior e inferior de la cubierta y el borde del fregadero.

**2** Space the mounting clips around the underside of the countertop and loosely attach.

Espacer les supports de fixation autour du dessous du comptoir et sécuriser légèrement.

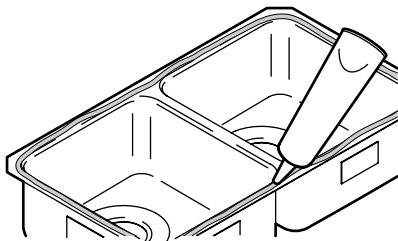

Distribuya el espacio entre los clips de fijación alrededor del lado inferior de la cubierta y fije sin apretar.

**3** Apply sealant near the inside edge.

Appliquer de l'étanchéité près du rebord intérieur.

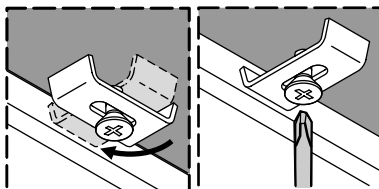

Aplique sellador cerca del filo interior.

**4** Lift the sink into place. Rotate the clips and tighten evenly. **Do not overtighten!**

Relever le lavabo pour le mettre en place. Faire tourner les attaches et serrer de manière égale. **Ne pas trop serrer!**

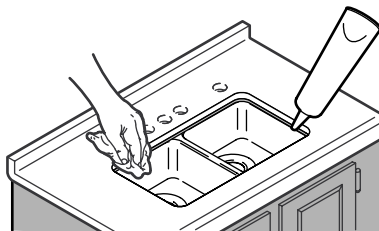

Suba el fregadero a su lugar. Gire los clips y apriete uniformemente. **¡No apriete demasiado!**

**5** Apply silicone sealant (optional); wipe away any excess. Fill voids and allow to dry.

Appliquer du mastic d'étanchéité à la silicone (optionnel); essuyer tout le mastic excessif. Remplir les vides et laisser sécher.

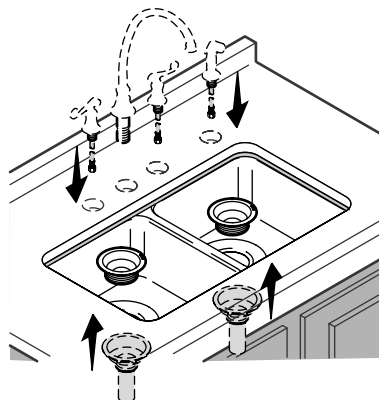

Aplique sellador de silicona (opcional); limpie el exceso. Llene donde falte sellador y deje secar.

**6** Install the faucet and the strainers.

Installer le robinet et les crépines.

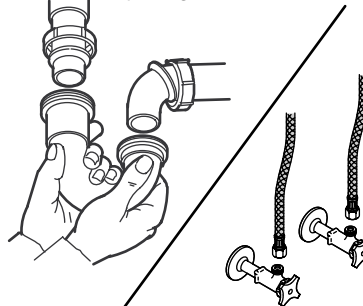

Instale la grifería y las coladeras.

**7** Connect the trap to the drain. Complete the faucet connections. Run water and check for leaks.

Raccorder le siphon au drain. Effectuer les connexions du robinet. Faire couler l'eau et rechercher la présente de fuites.

Conecte la trampa al desagüe. Termine las conexiones de la grifería. Haga correr agua y verifique que no haya fugas.

                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
