**TECHNICAL SPECIFICATION**

**STANDARD TUB BOX**

**TECHNICAL SPECIFICATION:** Oatey Standard Tub Box is used in concrete slabs, wood floors and multi-story flooring to allow access to bath tub plumbing. Tub Box provides a quick, economical, and clean method of installing tub waste and drain. Enables installer to form a clean, waterproof cavity in a concrete slab so a trap can be easily connected to the drain system. Tub Box contains built-in cut-out for 1.5" or 2" pipe installation.

**PHYSICAL/CHEMICAL PROPERTIES**

Material                      Semi-Flexible plastic polymer  
Dimensions                  Top ID: 13" x 13"  
                                        Bottom ID: 11.5" x 11.5"  
                                        Depth: 6.5"

**DIRECTIONS FOR USE**

Assemble around tub drain/trap assembly using built-in knock out to extend pipe through and attach the top and bottom pieces.

**PRECAUTIONS**

Read cautions and directions carefully before using this product. KEEP OUT OF REACH OF CHILDREN.

**COMMON APPLICATIONS**

Oatey Standard Tub Box is used in concrete slabs, wood floors and multi-story flooring to allow access to bath tub plumbing.

Consult Oatey Technical Department for applications not specifically referenced above.
