0.45 Gallon, Oily Waste Mini Benchtop Can for Long Cotton-Tip Applicators, SoundGard™ Cover, Red - 09410

Product Images

Short Description

- Ideal when using solven-soaked cloths and wiping rags
- Designed to isolate content from fire sources
- Galvanized steel body construction
- OSHA compliant

Description

OSHA compliant Oily Waste Cans are essential when using solvent soaked cloths and wiping rags. Rags and cloths soaked with thinners, linseed oil, combustible adhesives, and other flammable liquids present a serious fire risk when discarded improperly. The specially designed lid opens no more than 60 degrees and stays closed when not in use. This isolates the contents from fire sources and limits oxygen, virtually eliminating a risk of spontaneous combustion. All cans feature a galvanized steel body construction with durable powder-coat finish.

Specifications

Model No	09410
UPC	697841130722
Brand	Justrite
International Model No.	09410
FM Approval	Yes
OSHA Compliance	Yes
Complies with NFPA Code 30	Yes
Color	Red
Material Specifications	Steel
Dimensions, Exterior	6.5" H x 4.625" Outer Dia.
Dimensions, Exterior	165mm H x 117mm Outer Dia.
Capacity	0.45 gallon
Liter Capacity	2
Net Weight, lbs	1.5
Net Weight, kg	0.7
