Cover for Drum Funnel No. 28680, EcoPolyBlend™, Black - 28682

Product Images

Short Description

- An eco-friendly, cost-effective way to collect liquids and keep drum tops clean
- Fits closed head 30 and 55-gallon drums
- 100% recycled content, Black

Description

Use these funnels with any closed-head 30- and 55-gallon (110- and 200-L) drums. Low-profile, wide diameter opening makes it for quick, easy pouring. Scalloped, sloped design minimizes splashes and prevents containers from resting in their own liquids. Large, flat well at the throat of funnel allows for passive draining of paint tins, filters, buckets and other containers.

Funnel for flammable liquids includes a drum fill vent with brass flame arrester, threaded bung cap with tight seal, and pressure relief valve for high temperatures. Molded-in hook stores optional funnel cover.

Specifications

Model No	28682
UPC	697841134584
International Model No.	28682
Brand	Justrite
Color	Black
Material Specifications	Recycled Polyethylene
UL Environmental Approval	Yes
Percent Recycled	100
Dimensions, Exterior	3.25" H x 19" Outer Dia.
Dimensions, Exterior	83mm H x 483mm Outer Dia.
