SPOT MARKER & MARKING STICK

PRODUCT NUMBERS: 244 SPOT MARKER
245 MARKING STICK

I. GENERAL DESCRIPTION

Description: Designed to deliver professional performance with comfort and durability. Each product will allow the user to make large quantities of precision marks efficiently.

Benefits: These models provide sturdy, lightweight construction with single hand operation for all your marking needs. The 245 Marking Stick also includes a flag holder and optional flag insert spike.

Applications: Use to dispense marking paints in the form of lines, numbers, words, etc. For consistent markings over long distances, use the #245 Marking Stick. For lower quantity and intermittent marks, use the #244 Spot Marker.

Directions: Place can, with or without cap on, into applicator cartridge aligning actuator with spray tip. Squeeze trigger to begin application.

Limitations: Please refer to Material Safety Data Sheet for specific Marking Paint product information on material hazards, etc.
