Features and Benefits

- Provides the traditional appearance and superior performance of Decora® devices in a new, faster, easier-to-install, and safer design
- Unique lever terminals for fast, efficient wiring
- Color-coded lever terminals reduces risk of miswiring
- Lever doors have snap feature to assure connection has been made; audible click confirms lever door is closed

- _ Only Residential device on the market with a quick termination ground wire
- No exposed metal parts for enhanced safety; eliminates need for electrical tape
- Strap's unique tongue and groove alignment offers quicker trim out on multi-gang installations
- Lever connectors work with 14 gauge and 12 gauge stranded and solid copper wire
- Wire openings prevent wire insulation from being inserted into the terminals
- One standard strip gauge for all devices
- Devices coordinate seamlessly with other Decora devices
- Longer and wider strap is compatible with Midway wallplates, and with Standard sized wallplates when breakaway tab is removed
- Can be used with Decora wallplates and Decora Plus™ screwless wallplates
- Outlet allows for split circuit applications
- Outlet is Tamper-Resistant to help prevent access by most non-rated/foreign objects
