

MIGHTY MATS MATS & ROLLS

Specs:

- Highly absorbent cellulose quickly absorbs & retains fluids
- Strong, durable & low linting
- Absorbs water, oil, gas, antifreeze, grease, alcohol, paint & more
- Available in mats or rolls, can be cut to length
- Light mats for small leaks, drips & rag use
- Heavy mats for larger spills & leaks

Ideal For:

- Soak up & wring out problem water
- Place along spill prone areas to collect & keep a clean environment
- Use as work station topper to keep area clean & prevent tools from rolling out of position
- Auto maintenance & cleaning
- Protects against: Leaks, spills, tool grease & grime, paint spills, kitchen wear & tear & much more!
