

SUDS SENTRY

Innovation in water mitigation since 1987

PRODUCT DETAILS

Prevent possible water damage to finished floors and eliminate drain flashing installation when installing a Suds Sentry pan for washing machines. Our half inch flange allows most floor surfaces to be brought right up to the edge of the pan creating a clean finished look. The choice of color provides easy color match to many flooring styles.

MATERIAL SPECIFICATIONS

- Color choice of White or Latte
- High Impact Polystyrene
- Half inch perimeter flange
- Eight 3/16" diameter fastener positions located six inches from each corner
- Recessed strainer ledge for maximum drainage
- Utilizes a PVC 3" Drain

PRICING INFORMATION

- Standard list pricing varies based upon color selection and part number
- Standard list pricing does not change regardless of the number of knockouts (up to 2)
- Contact a distributor for pricing details!

DISTRIBUTION S/H INFORMATION

- Packaged in 25 units per carton. Smaller quantities maybe ordered.
- NMFTA National Motor Freight Classification is:
Plastic Products
NOI Item 156600
Sub 6 Class 100
