

Silver Series Lever Chain Hoist

A rugged, dependable lever chain hoist with capacities and features that make it ideal for all industrial lifting, pulling and positioning applications.

Features:

- All-steel construction
- Low handle force
- Value priced lever hoist with industrial rated performance
- One-hand operation free chaining
- If a load is applied in free chain mode, brake will automatically engage, minimizing operator setup error
- 3/4 to six metric ton capacities available
- 360° handle rotation
- Rubber handle grip in all sizes
- Reliable disc brake
- Grade 80 and 100 chain available
- Hardened swivel latch hooks
- Lightweight
- Short handle stroke
- Standard lifts of 5 ft, 10 ft, 15 ft and 20 ft; longer lifts available
- Zinc-nickel-chrome-plated finish is more durable and corrosion-resistant than paint
- Patent-pending "Arrow-Notch" free chain system is simple and reliable; operators will enjoy easiest free chaining

Compliances:

- Meets ANSI/ASME B30.16
- Complies with Europe's EC95 Machinery Directive

Hurricane 360° Hand Chain Hoist

Features:

- Standard load limiter for simple, automatic overload protection
- Weston-style braking system provides reliable positive load control
- Powder-coated finish for corrosion protection
- All internal gears and pinions are heat-treated steel for high strength and long life
- Chain guide and stripper assures load chain alignment
- Precision four-pocket lift wheel - fully machined for better chain fit and reduced wear allowing for accurate movement of the load chain
- Hardened alloy steel load chain assures high strength and long wear life
- Minimal maintenance - easily disassembled, requiring no special tools
- Lifetime warranty against defects in materials and workmanship

Compliances:

- Meets ASME B30.16 and European CE standard

Series 622 Hand Chain Hoist

Features:

- Simple, efficient, economical design
- Equipped with hardened load chain for flexibility and long wear
- Compact design, low headroom and lightweight steel construction for easy installation, even in confined spaces
- Weston-type load brake requires no lubrication
- Hand wheel cover with guide slots minimizes jamming and slipping
- Forged swivel hooks with latches reduce twisting of chain and unintentional unhooking of load when chain is slack
- Standard hand chain drop is 2 ft less than lift (example: 10 ft lift hoist has 8 ft hand chain drop)
- One-year warranty
- Metric rated
- Imported
