* For a complete listing of all the RiteTemp valves, refer to the K-304-* Specification Sheet or Roughing-In Sheet.									
Optional Accessories									
88526	HiFlow Rite-Temp _® thin wall installation kit	□ CP		☐ Other					
1016154	Deep roughing-in kit for Rite-Temp® valve – lever or cross handle designs		□ NA						

Installation Notes

Install this product according to the installation guide.

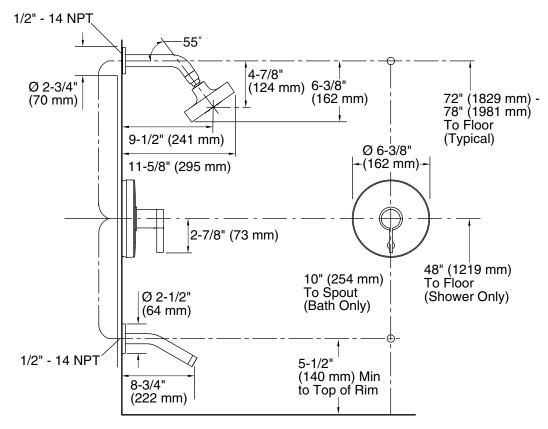

NOTICE: Risk of product damage. Long screws, for installing trim, can damage the K-2971-KS valve. Consult the trim installation guide to verify if the thin wall installation kit (88526) is needed.

Install this product according to the installation guide

Avoid cross-flow conditions. Do not install shut-off device on either valve outlet.

Cap shower outlet if deck-mount spout, diverter, or handshower is connected to spout outlet.

Install straight pipe or tube drop of 7'' (178 mm) to 18'' (457 mm) with single elbow between valve and wall-mount spout.
