

0-5.5m Radius

Key Features (XF Series)

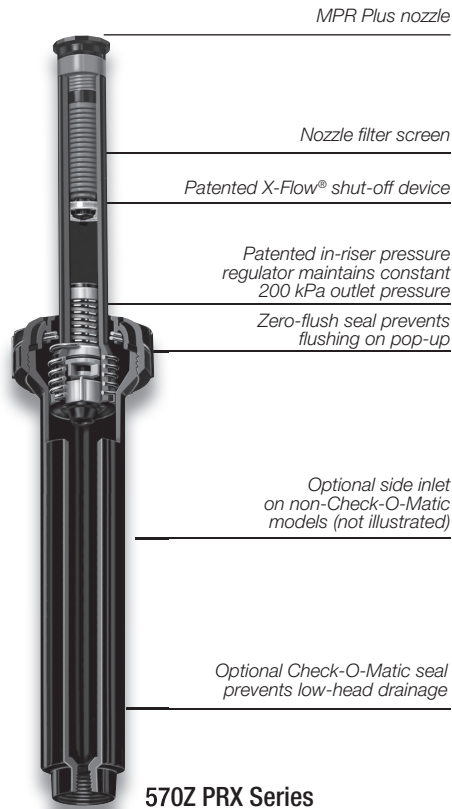

All the features of the 570Z Classic Series plus:

- Patented X-Flow® high-flow shut-off device built into the riser
- Restricts water loss by 99% if the nozzle is removed or damaged, eliminating potential erosion, safety-issues and saving precious water
- Allows for “dry” nozzle and filter-replacement or maintenance, while the system is running

Key Features (PRX Series)

All the features of the 570Z Classic Series plus:

- Patented X-Flow® high-flow shut-off device built into the riser
- Restricts water loss by 99% if the nozzle is removed or damaged, eliminating potential erosion, safety-issues and saving precious water.
- Allows for “dry” nozzle and filter-replacement or maintenance, while the system is running
- Patented in-riser pressure regulator
- Maintains constant 200 kPa outlet pressure
- Eliminates misting and fogging caused by pressures above 200 kPa
- Ideal for applications with high or varying operating pressure, including long runs and slopes
- Extended 5-year warranty

570Z PRX Series

Effluent water indicators available

Without X-Flow® Device:
At 275kPa, the standard pressure fixed spray with a missing nozzle wastes water at a rate of 150 Lpm

With X-Flow® Device:
That same fixed spray with an X-Flow feature wastes almost no water—99% less.

Note: You must have a nozzle screen or flush plug in place to deactivate the X-Flow® function. Without either, there will not be flow through the sprinkler.

Without pressure regulator

With pressure regulator

PRX Series Sprinklers – Body Only – 5 Year Warranty

102-0006	PRX Shrub Adaptor Only. 15mm FBSP inlet to suit Toro 570 Nozzle, inbuilt pressure regulation and Flow Shut-Off device
102-0002	100mm, PRX Body Only, Complete with inbuilt Pressure Regulation, Flow Shut-Off, Check Valve and Flush Plug
102-0004	150mm, PRX Body Only, (Bottom Inlet), Complete with inbuilt Pressure Regulation, Flow Shut-Off, Check Valve and Flush Plug
102-0011	300mm PRX Body Only (Bottom Inlet), Complete with inbuilt Pressure Regulation, Flow Shut-Off, Check Valve and Flush Plug

XF Series Sprinklers – Body Only – 5 Year Warranty

102-2836	XF Shrub Adaptor 15mm inlet to suit Toro Nozzles. Automatic high flow shut off
102-2829	XF 100mm Body Only with Flow Shut-Off, Check Valve and Flush Plug
102-2831	XF 150mm Body Only with Flow Shut-Off, Check Valve and Flush Plug
102-2834	XF 300mm Body Only with Flow Shut-Off, Check Valve and Flush Plug
