# Christy's™

# Solvent Cement Daubers and Applicators

Successful solvent cementing requires rapid application of the correct amount of solvent and primer for proper bonding. Christy's comprehensive selection of daubers and applicators allow for accurate, easy application of primers and cements.

It is extremely important to use the proper size applicator (dauber, swab, roller or brush)

- The applicator provided with the can may not be the correct size for your pipe diameter
- Applicator size should be at least ½ the diameter of the pipe to apply a sufficient amount of cement
- Too small of an applicator will not apply a sufficient amount of cement

| Standard Cap Dauber | Can-Mate™ Adjustable Dauber | Bristle Brush Applicator | Roller Applicator | Swab Applicator |

## Dauber & Applicator Selection Guide

| Item # | Applicator Description | Use With Pipe Diameter | Use with Can Part # |
| --- | --- | --- | --- |
| **HALF PINT CAN 8 oz. - Standard Screw Cap Lid** | | | |
| RH.D08 | 3/4" Standard Dauber for Half Pint Can | For up to 1 1/2" pipe | RH.C8 |
| **PINT CAN 16 oz.- Standard Screw Cap Lid** | | | |
| RH.B32 | 1" Plastic Bristle Brush for Standard PT and QT cans | For up to 2" pipe | RH.C16 |
| RH.D16 | 3/4" Standard Dauber for Pint can | For up to 1 1/2" pipe | RH.C16 |
| RH.PD75 | 3/4" Can-Mate Adjustable Dauber w/Telescoping Stem | For up to 1 1/2" pipe | RH.C16 |
| RH.PD100 | 1 1/4" Can-Mate Adjustable Dauber w/Telescoping Stem | For up to 3" pipe | RH.C16 |
| **QUART CAN 32 oz. - Standard Screw Cap Lid** | | | |
| RH.B32 | 1" Plastic Bristle Brush for Standard PT and QT cans | For up to 2" pipe | RH.C32 |
| RH.D32 | 1 1/2" Standard Dauber for Quart can | For up to 3" pipe | RH.C32 |
| RH.PD75 | 3/4" Can-Mate Adjustable Dauber w/Telescoping Stem | For up to 1 1/2" pipe | RH.C32 |
| RH.PD100 | 1 1/4" Can-Mate Adjustable Dauber w/Telescoping Stem | For up to 3" pipe | RH.C32 |
| RH.S32 | 4" Swab Applicator for Standard QT can | For 3"- 6" pipe | RH.C32 |
| **QUART CAN 32 oz. - Paint Style w/ Triple Tight (TT) Lid** | | | |
| RH.R32 | 3" Roller Applicator for use with Paint Style QT can | For 3"- 6" pipe | RH.CP32 |
| **GALLON CAN - Standard Screw Cap Lid** | | | |
| RH.S128STD | 4" Swab Applicator for Standard GLN can | For 6"+ pipe | Any Standard Gallon Can (NOT WM) |
| **GALLON CAN - Wide Mouth (WM) Screw Cap Lid** | | | |
| RH.R128 | Jumbo 7" Roller Applicator for use with WM GLN can | For 6"+ pipe | RH.C1282 |
| RH.S128WM | 4" Swab Applicator for WM GLN can | For 6"+ pipe | RH.C1282 |
