

## ROOM THERMOSTATS — 100 SERIES

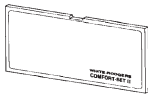

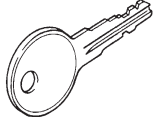

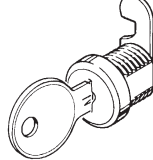

Item Number	Model Number	Description	Item Number	Model Number	Description
	F4-1748	Terminal base for 1D78-140 & 1E78 thermostats.		F20-2386	Dial kit for 1A10-651, 1A16-51, S29-21, S29-22. Converts to Horizontal mounting.
	F16-5048	Replacement front cover for all horizontal 1D30 through 1D56 and 1F30 through 1F56 series standard low voltage thermostats. Temperature range: 50-90°F. (Not for 1F58 heat pump series.) Beige.		F61-2068	Wallplate for low voltage standard thermostats (5 5/8" H x 5 3/4" W). Beige. Includes adapter for mounting to vertical junction box.
	F16-5482	Replacement front cover for 1F58 Heat Pump Thermostats. (Beige)		F61-2301	Same as F61-2068 except white.
	F16-5430	Replacement Cover for 176-6.		F61-2500	Wallplate for 80 series thermostats (4 5/8" H x 7 5/8" W), except Blue models.
	F16-8545	Same as F16-5482 except Classic White.		F61-2072	Wallplate for low voltage standard thermostats (5 5/8" H x 5 3/4" W). Beige, plastic.
	F16-6456	Same as F16-5048 except Classic White.		F61-2152	Wallplate for 1A10-651, 1A16-51, 1A65-641, or 1A66-641. (6 5/8" H x 4 5/8" W).
	F16-7715	Cover for 1A65/1A66 (Beige) Thermostat.		F61-2251	Wallplate for all beige (obsolete models) 1F90 and 1F70 series thermostats (7 1/4" W x 5 1/2" H), includes adapter plate for mounting to horizontal or vertical junction box.
	F16-7716	Cover for 1A65W/1A66W (White) Thermostat.		F61-2252	Wallplate for all beige (obsolete models) 1F90 and 1F70 series thermostats (7 1/4" W x 5 1/2" H).
	F16-7978	Cover assembly for 1F80-261.		F61-2300	Wallplate for all 1F90 series thermostats (except Blue models), (7 1/4" W x 5 1/2" H), Classic White color, includes adapter plate for mounting to horizontal or vertical junction box.
	F16-8100	Cover assembly for 1F78-144 non-programmable.		F61-2499	Wallplate for 1C20-xxx/1C26-xxx (5 5/8" H x 5" W).
	F16-8101	Cover assembly for 1F78-151 programmable.		F61-2500	Wallplate for all 1F80 series thermostats (except Blue models), (7 5/8" W x 4 3/4" H), Classic White color, includes adapter plate for mounting to horizontal or vertical junction box.

**ROOM THERMOSTATS — 100 SERIES (cont.)**

Item Number	Model Number	Description
	<b>F61-2510</b>	Wallplate for all 1F70 series thermostats, 6½"W x 4½"H, Classic White color, Includes adapter plate for mounting to horizontal or vertical junction box.
	<b>F61-2550</b>	Wallplate for all 1F70 series thermostats, 6½"W x 4½"H, Classic White color, does not include adapter plate for mounting to horizontal or vertical junction box.
	<b>F61-2593</b>	Wallplate for 1D70 or 1E70 series thermostats, 4½"W x 6 <sup>19</sup> / <sub>32</sub> "H, Classic White color.
	<b>F61-2600</b>	Wallplate for 90 series Blue Touchscreen thermostats, 8 <sup>1</sup> / <sub>8</sub> "W x 5 <sup>3</sup> / <sub>8</sub> "H, Classic White color, for use with or without horizontal junction box.
	<b>F61-2634</b>	Wallplate for 90 and 80 series Blue thermostats, 6½"W x 5"H, Classic White color, for use with or without horizontal junction box.
	<b>F75-0176</b>	Temperature knob locking or limiting kit for 1A65-641, 1A65W-641, 1A66-641 and 1A66W-641.
	<b>F85-0022</b>	Calibration wrench for thermostats with <sup>7</sup> / <sub>32</sub> " stud.
	<b>F92-0563</b>	Temperature lever locking or temperature limiting kit for low voltage thermostats except 1C70, 1C20 and 1E26 series.
	<b>F106-0090</b>	Clear replacement lens cover for all standard mechanical low voltage thermostats.

Item Number	Model Number	Description
	<b>F145-1082</b>	Replacement door 1F90/1F97 (-51, -60, -71) 1F91-71, 1F92-71, 1F94-71, 1F95-71.
	<b>F145-0999</b>	Replacement key for all thermostat guards, F29 series.
	<b>F145-1000</b>	Replacement lock and key for all thermostat guards, F29 series.
	<b>F145-1189</b>	Replacement door 1F90W, 1F91W, 1F92W, 1F94W, 1F97W.
	<b>F145-1328</b>	90 Series Indoor Remote Sensor. Replaces all previous Indoor Remote Sensors.
	<b>F145-1378</b>	90 Series Outdoor Temperature Sensor, For Models with Outdoor Sensor Option.
