Anti-Bacterial Hand Cleaning Towels

Specifications

DESCRIPTION

Pre-moistened towels made of high strength non-woven cloth material. Chemically saturated with a unique, very effective but mild, heavy duty cleaning liquid. Contains triclosan which is an effective, quick acting anti-bacterial agent. A user friendly alternative to abrasive type hand cleaning products. **Hercules for Hands Anti-Bacterial** requires no water, no rinsing, dries immediately and leaves no residue.

Hercules for Hands Anti-Bacterial towels easily remove industrial paints, epoxy and polyester resins, lubricants, adhesives, tar, printer's inks, sealants, grease, oils, grime, caulks, flux and other stubborn soils. Softens and removes plastic pipe cements. Towels will not shred or tear in use.

Non abrasive material does not irritate hands, while incorporated aloe vera, Vitamin E and lanolin moisturizers leave hands soft and smooth. Pleasant citrus scent. **Hercules for Hands Anti-Bacterial** contains no harsh solvents.

Hercules for Hands Anti-Bacterial can also be used to clean surfaces such as steel, aluminum, laminates, wood and others. It is very effective in cleaning tools, machinery and many other types of equipment. Will not leave scratches or marks on surfaces.

Anti-Bacterial Hand Cleaning Towels

APPROVALS AND LISTINGS

Hercules for Hands Anti-Bacterial Solution (Product used to pre-moisten towels) has been tested by an independent laboratory in accordance to US Consumer Product Safety Commission (16 CFR 1500) Guidelines. It was found:

1. Not to be a skin sensitizer.
2. Not to be a primary eye irritant.
3. Not to be dermally toxic.
4. Not to be a primary dermal irritant.
5. Not to be orally toxic at levels of 5.0 gm/kg.
6. Not to be toxic by inhalation at concentration levels of 2.1 mg/ml.

SPECIFIC USES

Hercules for Hands Anti-Bacterial towels are excellent in environments where users repeatedly remove dirt, adhesives, grease and grime from their hands throughout the course of the workday. Non-abrasive formulation is non irritating and leaves hands with a pleasant citrus scent. They can also be used to clean surfaces and equipment.

SPECIFIC APPLICATIONS*

Hercules for Hands Anti-Bacterial towels are especially effective in the plumbing and construction industries for the removal of various oil-based paints, adhesives and/or ABS, CPVC and PVC plastic pipe cements from hands. Also unusually effective for removal of epoxy and polyester resins used with fiberglass. Takes off grease, tar, printer's inks and many other difficult to remove substances. They can also remove the same from most surfaces and equipment.

PHYSICAL PROPERTIES

Hercules for Hands Anti-Bacterial towels should be stored above freezing. If frozen, product becomes usable upon restoration to room temperature.

WARNINGS OR CAUTIONS

Do not use **Hercules for Hands Anti-Bacterial** on surfaces which are vinyl, acrylics, polyester, polyurethane or painted. Good hygiene dictates keeping towels away from eyes and other sensitive parts of the body. When possible, wash hands after using towels.

DIRECTIONS FOR USE

Clean hands using **Hercules for Hands Anti-Bacterial** towels rubbing where necessary for stubborn stains. Use of water is not required. Where towels are not used frequently reclosure of container will prolong life of remaining towels.
