

QKPanel Access Panel – QKPANEL__

Specification Sheet

Tag _____

Dimensional Data: Inches and [mm] are subject to manufacturing tolerances and change without notice.

Engineering Specification: PEX QKPanel Manifold Access Panel allows access to the manifold after installation. The white ABS frame and door are lightweight and durable. The access panel has a lift-out door and stay-in-place frame. The 14" wide opening allows easy access to the manifold and connections.

Part Number	A	B	C
QKPanel29	14" [356]	29" [737]	.10" [3]
QKPanel38	14" [356]	38" [965]	.10" [3]
QKPanel54	14" [356]	54" [1372]	.10" [3]
