

FEATURES

- Will not mold or mildew, no grout to clean
- Ideal for both remodeling projects and new construction
- Meets ADA guidelines for soap dish height and grab bar installation
- Ultra-bright, glossy surface comes from durable, baked-on finish
- A variety of colors to choose from to customize a bath
- The HA-58 is a glue-up 3-piece compression molded unit with a high-gloss, smooth surface
- Patented design keeps shower head spray from aiming at seams

HA-58

- Bisque (018)

MAINTENANCE AND CLEANING INFORMATION

The surface is stain and abrasion resistant, however it requires reasonable care. Wash regularly with warm water; use a soft cloth with a mild liquid detergent such as Handy Andy, Mr. Clean or Lestoil. Scouring pads made of nylon, saran or polyethylene may be used but *never* use abrasive scouring powders, cleaners or pads...they dull the finish. Protect finish with any fiberglass wax or automotive paste wax.
