## FLEXI-FIN® SYSTEM Specification Sheet

### SPECIFICATION

Furnish and install Flexi-Fin® Pipe Clamp, Insulating Suspension and Pipe Insulator for Wood and Metal Studs as manufactured by LSP Products Group/Specialty Products.

### DESIGN FEATURES

- Secures copper, CPVC and PEX piping to both wood and metal framework.
- Use in both residential and commercial construction.
- Beige in color.
- Insulating Suspension high-ear design allows installation in hard-to-reach areas.
- Pipe Insulator for Wood and Metal Studs exterior fins securely fasten insulator to both wood and metal studs. Ideal for potable and hydronic water systems.
