Material Number H030350, DWV Adapter C x M - Wrot, 904

The male adapter features a solder cup and male NPT thread. The fitting provides a means of adapting a solder connection to a threaded connection. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. In addition to its inherent qualities of beauty, durability and low maintenance, copper's reusability makes it an ideal application in sustainable projects. NIBCO® copper fittings are manufactured in an ISO 9001 certified facility, and backed by a 50
