

Design features:

- White L-shaped cushion seat filled with high-resilience, high-density foam to maintain original shape.
- Smooth cushion edges without corded piping – eliminates discomfort for pressure-sensitive bathers.
- Fire and mildew resistant.
- When properly installed, wall-mount units can support up to 400 lbs.
- Rust-resistant stainless steel hardware.
- Easy to install and clean – cushion surface is stain resistant.

Code Accepted

CareGiver Fold Down wall-mount and leg supported shower seats meet or exceed performance requirements:
