Using 6' (Red) TieGrrr Strap

Maximum Safe Load for TieGrrr Straps 1" Cam Straps is 250 lbs.

For Test Purposes Only

Our Mission:

To provide tie-down systems both superior in quality and price to that of any similar products carried by big-box stores.

We achieve this goal by staying aware of both the products and technology available in the marketplace. This knowledge enables us to manufacture the strongest possible products in the most efficient possible ways.

TieGrrr Straps Advantages

1. Stronger Buckle for Greater Safety
1,400 lbs instead of the standard 500 to 800 lbs.

2. Directional "Web Feed" Arrow on buckle to increase safety.

3. Center Spring doesn't wear out webbing or
Cut fingers like many competitors do.

4. Stronger Webbing than Competitors -
1,200 lbs breaking strength.

5. Stronger Thread Than Competitors.

6. Permanent Warning Tag for Greater Safety.

7. Angled - Smooth Web End for Faster, Easier Use.
It reduces frayed ends.

8. Size and Bar Codes on Each TieGrrr Strap.

9. TieGrrr Straps are Color Coded for Faster Size Selection.

10. TieGrrr Straps Have the Most Instructive Display for Significantly Better Sales.

The Load Hugger

For Pickups

Does Your Cargo Ride Like This?

OR

LIKE THIS!

Tighten From HERE...

OR

HERE!

The Load Hugger adjusts on either side, so cargo can be loaded from either side of your truck bed and secured with ease. With a buckle on each side, you don't even have to walk to the opposite side of your truck to tighten the strap.

Web & Corner Protection

The Adjustable Web & Corner Protector is an independent 1" or 2" wide flexible rubber piece that fits most 1" or 2" wide tie-down straps. Simply feed the webbing through each end of the Protector, and then slide it into position. This will help protect your webbing from sharp edges or protect cargo from being cut by the webbing.

Item	Description	List	Wholesale
TS1-WP	1" adjustable web & corner protector	\$0.80	\$0.40
TS2-WP	2" adjustable web & corner protector	\$1.00	\$0.50
