Cubic inch	3,375
Maintenance	Expiration is 36 months from date of manufacture

WARNING: This reference manual provides only an overview of the products shown. It does not provide important product warnings and instructions. Sperian Protection recommends that all users of its products undergo thorough training and that all warnings and instructions provided with the products be thoroughly read and understood prior to product use. It is necessary to assess hazards in the work environment and to match the appropriate personal protective equipment to particular hazards that may exist. A complete and thorough hazard assessment must be conducted to properly identify the appropriate personal protective equipment to be used in a particular work environment. FAILURE TO READ AND FOLLOW ALL PRODUCT WARNINGS AND INSTRUCTIONS AND TO PROPERLY PERFORM A HAZARD ASSESSMENT MAY RESULT IN SERIOUS PERSONAL INJURY, ILLNESS OR DEATH.
