### Material Number E169300, DWV Fitting Cleanout Ftg x Cleanout with Plug - Cast, 816

The fitting cleanout features a male solder end and cleanout with plug. The fitting provides a means of clearing potential clogs in certain portions of the drainage system. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. In addition to its inherent qualities of beauty, durability and low maintenance, copper's reusability makes it an ideal application in sustainable projects. NIBCO® copper fittings are manufactured in an ISO 9001 certified
