Material Number NL9411A, T-560-BR-Y-20 - One-Piece Bronze Ball Valve - PTFE Seat, Bronze Trim

The NIBCO® bronze ball valve provides ease of operation with quarter-turn (90 degrees) open to close. The one-piece design eliminates leak paths and features NPT end connections for easy installation. Please refer to NIBCO technical data sheets, valve selection guides and catalog for engineering and installation information. Choose NIBCO® ball valves for the most specified, versatile and economical valve option in commercial and industrial applications. NIBCO® ball valves are backed by the
