DOMESTIC: LIMITED WARRANTY STATEMENT

Küül® Evaporative Cooling Media

Utilized in

COMMERCIAL / RESIDENTIAL / INDUSTRIAL applications

Effective: April 4, 2001

The following limited warranty is in effect for all Commercial/Residential/Industrial Küül® pad material purchased for shipment within the continental United States with the following exceptions:

No Warranty is available on 2" thick Küül® evaporative cooling media

Commercial/Residential/Industrial Küül® pads are warranted against all defects in workmanship for a period of three (3) years from shipment invoice date. **Improper installation, improper maintenance, or poor water chemistry will invalidate this warranty.**

Specifically, General Shelters of Texas, S. B., Ltd., the manufacturer, will during the:

First Year after shipment invoice date:

Replace 100% of Küül® pads that fail on or before the first anniversary date of shipment

Second Year:

Replace 70% of Küül® pads that fail on or before the second anniversary date, but after the first anniversary date of shipment.

Third Year.

Replace 30% of Küül® pads that fail on or before the third anniversary date, but after the second anniversary date of shipment.

Manufacturer will prorate freight of any replacements according to the yearly breakdown provided above, The Küül® media limited warranty is VOID in any of the following instances:

1. pH of water used in conjunction with the Küül® pads is greater than 8 or less than 6.
2. Use of phosphates, wetting agents, aromatic hydrocarbons, or any other chemical not recommended or approved by the manufacturer.
3. Allowing the bottom of the media to be continually immersed in water.
4. Any improper physical handling of the media or use of unapproved of caustic chemicals or use in any manner for which this product is not intended
5. Commercial / Residential / Industrial application Küül® Pads used in the Agricultural or Horticultural industries.
6. Damage by insects, rodents and/or other pests.
7. Dust or mineral build-up.
8. Cooling media is used in conjunction with the portable Port-A-Cool® Unit or other similar portable cooling units.

Manufacturer reserves the right to investigate all claim.
