

# The Toilet Repair Experts

## CLICK FIT ACCESS PANELS

Fluidmaster's easy to use panels provide easy access to in-wall plumbing and electrical. The panels are available in two sizes and are simple to install. There is no framing required as Fluidmaster's access panels use flip clips to hold in place.

- Conceals and allows access to plumbing, wiring and cables
- Pops in and out of position, no visible clamps or screws
- Works in walls and ceilings up to 3/4 inch thick
- Great for spa pumps, security systems, computer /audio/ TV cables

Visit [fluidmaster.com](http://fluidmaster.com) for easy installation instructions and templates.
