### Material Number NL3W00C, T-275-B - Globe Valve - Bronze, Class 300, Bronze Disc

The NIBCO® bronze globe valve features a union bonnet with integral seat and renewable semi-plug or standard disc. It is equipped with female threads ends for ease of installation. This valve is ideal for higher pressure steam and the semi-plug disc allows for closer throttling of flow. Please refer to NIBCO technical data sheets, chemical resistance guides and catalogs for engineering and installation information. Choose NIBCO® globe valves for the most specified, versatile and economical
