

Frigidaire

Freezers + Specialty Products

Frigidaire

Fresh thinking in every appliance.

When you think about innovation and convenience, think Frigidaire®.

And, when you think capacity, think the Frigidaire® Duo.

With over 33 cubic feet of food storage, our Professional Series® Duo is the largest capacity, counter-depth, side-by-side system in the industry. And, thanks to our dynamic condenser system, you have a unique built-in capability for a look that fits seamlessly in any room.

Crisp design? Think Frigidaire® upright and chest freezers.

From the industry's first frost-free chest freezer, to digital temperature controls and alarms, to unique storage dividers and sliding baskets, to the Extreme Freeze function that locks in freshness and nutrition, Frigidaire® offers the quality you expect and the convenience you deserve.

You expect all this from Frigidaire®... and we deliver.

All-Freezer/All-Refrigerator Duo Features

EasyCare™ Genuine Stainless Steel
All surfaces feature a protective micro-coating to minimize fingerprints and smudges and reduce maintenance.

Full-Access Sliding Storage Baskets
Allow you to organize and store frozen food easily. The wire construction securely stores larger packages and provides complete visibility of contents.

Door Storage
The clear adjustable bins and full-width gallon bin offer maximum storage capacity in the door with the convenience to lift and snap the adjustable bins into place with one hand.

Tilt-Out Wire Door Bins
Help you store a variety of frozen food items in a smaller space. The wire construction securely stores small packages and allows complete visibility of contents, while the tilt-out feature gives you easy access.

Frigidaire

Optional Trim Kits
To create a more built-in look, optional trim kits are available for a stand-alone refrigerator, stand-alone freezer, or for both units together in a side-by-side configuration.

- Optional Trim Kit Available (ALLREFKIT)

Shown above with optional Duo Trim Kit (DUOTRIMKIT)

Why buy a freezer?

Freezing is the healthiest way to preserve the fresh, natural flavors and nutrients of produce, meats and fish. Just ask any gardener, hunter or fisherman. Even if the only hunting you do is for bargains in the frozen food aisle of your grocery store, an upright freezer provides cost-effective storage that lets you enjoy the full value of bulk purchasing. Frigidaire® is the world's largest manufacturer of residential freezers. Our 20 cu. ft. upright freezer with easy-to-organize StorMor™ shelves and baskets, holds up to 700 pounds of food while consuming no more floor space than a 5 cu. ft. chest freezer. So, you'll have ample storage capacity without taking up valuable floor space in your garage, laundry room or basement. And, the commercial grade Frigidaire® upright freezer is frost free. So you'll never have to unload, unplug or drain your freezer again.

Our upright freezers hold about 35 pounds of food per cubic foot. Frigidaire® has the right fit and storage capacity for any size family.

14 Cu. Ft.
Holds up to 490 lbs. of food.

17 Cu. Ft.
Holds up to 595 lbs. of food.

20 Cu. Ft.
Holds up to 700 lbs. of food.

Frigidaire

Choosing the right freezer for you.

According to the National Association of Home Builders, your purchase of a freezer today is an investment that you'll live with for twelve or more years. In addition to the purchase price, careful consideration should be given to style, safety, convenience, economy and warranty.

Style

Consider the product and its location in your home. Will an upright or chest freezer work better for you? Frigidaire® freezers look smart enough to fit in your kitchen but they're durable enough for your basement or garage.

Economy

Freezer Energy Consumption vs. 100 Watt Light Bulb

Freezer Model	Kwh/yr Usage	vs. 100 Watt Bulb
Upright 14 Cu. Ft.	621	41.06%
Upright 17 Cu. Ft.	685	28.45%
Upright 20 Cu. Ft.	763	14.81%
Chest 15 Cu. Ft.	398	120.65%
Chest 20 Cu. Ft.	484	82.50%
Chest 25 Cu. Ft.	569	53.95%

What you pay for a freezer is one thing. How the freezer pays for itself is another. Not only are Frigidaire® freezers affordable but they're economical to operate. For instance, a 14 cu. ft. Frigidaire® upright freezer annually consumes less than half the energy needed to light a 100 watt bulb for the same period of time.

Convenience

All Frigidaire® upright freezers have loads of shelf and bin storage to keep foods within sight and within reach. Many models are frost free for the ultimate in convenience.

Quality Construction

Frigidaire freezers utilize a durable epoxy powder coated finish on a rugged steel liner for many years of reliability and durability.

Food Safety

All upright models have a Door Closer feature, Magnetic Door Gaskets for an air-tight seal, a Power-On Light and a Temperature Alarm System which sounds if the interior temperature rises to an unsafe level.

Upright Freezer Features

Lock with Pop-Out Key
For maximum security, freezer key is automatically ejected upon locking.

Precision Set™ Digital Control
Digital Control panel makes temperature adjustments easy.

UltraPro Color-Coordinated Steel Handle
Designed for your complete comfort, UltraPro handles are color coordinated with the freezer exterior.

StorMor™ Tilt-Out Wire Door Bins
Store more in less space. The wire bin construction stores small packages and optimizes visibility while the tilt-out feature provides easy access.

Small Item Shelf
The Small Item Shelf attaches securely to any horizontal shelf and is ideal for juice cans and other small items.

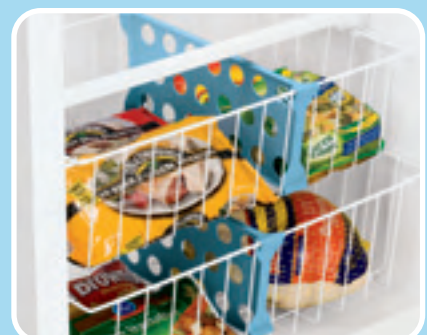

StorMor™ Flexible Door Storage
Flexible shelf restraints expand to accommodate odd-sized items and give you just a little more storage room when you need it.

Temp Alarm System
Warning light and buzzer alert you to interior temperatures unsafe for proper food storage.

Extreme Freeze
Extreme Freeze allows you to quick-freeze meat, poultry, produce and dairy products to lock in flavor and minimize the risk of spoilage.

StorMor™ Full-Access Sliding Storage Baskets with Dividers
The wire bin construction securely stores larger packages while providing complete visibility. Bin dividers allow you to compartmentalize your storage for complete organization.

UPRIGHT FREEZER INSTALLATION

The following dimension and cutout information is for planning purposes only. For complete installation details consult manual packed with product, or download manual at Customer Service, online at frigidaire.com.

Allow sufficient clearance on hinge side of freezer when installing next to a wall where handle may make contact.

Refer to specification chart for variable dimensions.

Trim Kit (single trim kit shown, duo trim kit also available.)

LIMITED ONE-YEAR WARRANTY

This warranty does not cover the following:

- Products with original serial numbers that have been removed, altered or cannot be readily determined.
- Product that has been transferred from its original owner to another party or removed outside the USA or Canada.
- Rust on the interior or exterior of the unit.
- Products purchased "as-is" are not covered by this warranty.
- Food loss due to any refrigerator or freezer failures.
- Products used in a commercial setting.
- Service calls which do not involve malfunction or defects in materials or workmanship, or for appliances not in ordinary household use or used other than in accordance with the provided instructions.
- Service calls to correct the installation of your appliance or to instruct you how to use your appliance.
- Expenses for making the appliance accessible for servicing, such as removal of trim, cupboards, shelves, etc., which are not a part of the appliance when it is shipped from the factory.
- Service calls to repair or replace appliance light bulbs, air filters, water filters, other consumables, or knobs, handles, or other cosmetic parts.
- Surcharges including, but not limited to, any after hour, weekend, or holiday service calls, tolls, ferry trip charges, or mileage expense for service calls to remote areas, including the state of Alaska.
- Damages to the finish of appliance or home incurred during installation, including but not limited to floors, cabinets, walls, etc.
- Damages caused by: services performed by unauthorized service companies; use of parts other than genuine Electrolux parts or parts obtained from persons other than authorized service companies; or external causes such as abuse, misuse, inadequate power supply, accidents, fires, or acts of God.

DISCLAIMER OF IMPLIED WARRANTIES; LIMITATION OF REMEDIES

Customer's sole and exclusive remedy under this limited warranty shall be product repair or replacement as provided herein. Claims based on implied warranties, including warranties of merchantability or fitness for a particular purpose, are limited to one year or the shortest period allowed by law, but not less than one year. Electrolux shall not be liable for consequential or incidental damages such as property damage and incidental expenses resulting from any breach of this written limited warranty or any implied warranty. Some states and provinces do not allow the exclusion or limitation of incidental or consequential damages, or limitations on the duration of implied warranties, so these limitations or exclusions may not apply to you. This written warranty gives you specific legal rights. You may also have other rights that vary from state to state.

IF YOU NEED SERVICE

Keep your receipt, delivery slip, or some other appropriate payment record to establish the warranty period should service be required. If service is performed, it is in your best interest to obtain and keep all receipts. Service under this warranty must be obtained by contacting Electrolux at the addresses or phone numbers below. Your appliance is covered by a one year limited warranty. For one year from your original date of purchase, Electrolux will pay all costs for repairing or replacing any parts of this appliance that prove to be defective in materials or workmanship when such appliance is installed, used, and maintained in accordance with the provided instructions. This warranty only applies in the USA and Canada. In the USA, your appliance is warranted by Electrolux Major Appliances North America, a division of Electrolux Home Products, Inc. In Canada, your appliance is warranted by Electrolux Canada Corp. Electrolux authorizes no person to change or add to any obligations under this warranty. Obligations for service and parts under this warranty must be performed by Electrolux or an authorized service company. Product features or specifications as described or illustrated are subject to change without notice.
