

JB PRODUCTS

A FEDERAL PROCESS COMPANY

FULL LINE CATALOG
2014

Our Story...

Located in South Bend, Indiana, **JB Products**, a Federal Process Company, has manufactured products for the conventional plumbing wholesale, manufactured housing, recreational vehicle, and OEM/repackager markets for over 40 years.

We are pleased to introduce the new JB Products 2014 full line catalog. Along with our traditional offering of plastic, brass tubular products and bathwastes, we also offer a full line of basket strainers, commercial products, plumbing specialties/accessories, Federal Process Chemicals and our JB Signature line of decorative items for kitchen and bath.

We encourage you to also check out some of our recent product innovations including the Express II bathwastes starting on page 20 and our new JB Solutions American made section featuring Air Admittance Valves and Water Hammers Arresters pages 11 through 13.

Most JB Products are listed by one of the following regulatory agencies:

Please call us at 800-527-8727 or speak with your local JB Products manufacturer representative if you have questions or visit our website at www.jb-products.com

Thank you for your continued support.

TERMS AND CONDITIONS

This catalog contains product specifications of certain products sold by JB Products. JB Products may, from time to time, discontinue, change, or otherwise modify without notice any of the products listed herein. Possession of our catalog by any person is not to be construed as an offer to sell that person or anyone else the goods listed herein.

Terms of Payment

Standard industry payment terms are 2% 10th Prox; a 2% cash discount will be allowed on the net amount if paid on or before the 10th of the month following the date of the invoice before additions or deductions for transportation, handling or applicable taxes. A 1-1/2% service charge per month will be added to any past due balance.

Transportation

Freight charges will be prepaid on orders for \$1250 or more net for shipment to one destination in the continental United States. Otherwise freight terms are F.O.B. South Bend, Indiana.

Broken Cartons

Broken cartons are not allowed. Items should be ordered in multiples of standard package quantities. Product orders for less than standard package quantities will be increased to standard package quantities.

Minimum Order – no order will be processed for less than a \$75 invoice minimum charge.

Shortage or Variance

No claims for variances from or shortages in orders will be considered unless presented within 3 days after receipt of goods.

Returned Goods

Merchandise may not be returned for credit unless the Seller has agreed to accept them in writing. Where returns are accepted a deduction of 20% or \$20.00, whichever is greater, will be made for re-handling. All transportation costs for returned goods must be paid by the Buyer. In any event, only saleable merchandise of standard manufacture may be returned for credit.

JB PRODUCTS WARRANTY

JB PRODUCTS warrants to its immediate customers that goods shown and described in this catalog will be free from defects in material and workmanship, under normal usage and service for **one year*** from the date of JB Products invoice to its immediate customer's place of business where the goods were originally shipped by JB PRODUCTS.

* The following finishes have a 90 day warranty. Oil Rubbed Bronze (metal), Venetian Bronze, Classic Bronze, Aged Bronze, Aged Pewter. These are lacquered coated finishes. The warranty is void if products were misused, abused or the cleaning instructions below were not followed. Chrome is warranted for one year.

JB PRODUCTS shall not have the obligation to pay for **any labor costs or any other expenses** incurred by its customers in replacing any such defective goods. JB PRODUCTS shall not be liable for any damages, losses costs or expenses resulting from loss of use of the goods, loss of time, inconvenience, loss or damage to real or personal property, loss of income, loss of profits, or personal injuries. JB PRODUCTS shall not have the obligation to replace any goods or pay costs incurred in shipping replacements for goods which have been the subject of accident, negligence, misuse or abuse. The obligation of JB PRODUCTS under this warranty is expressly limited to replacement of the defective goods and shipping costs specified above.

JB PRODUCTS EXPRESSLY DISCLAIMS THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

This warranty is in lieu of all other warranties. No representative of JB PRODUCTS has the authority to make any other warranties, express or implied, or to assume any obligations other than those specified above, on behalf of JB PRODUCTS, and any such warranties and obligations shall not be binding upon JB PRODUCTS. The rights created by this Warranty may not be assigned unless the express written consent of JB PRODUCTS is first obtained.

Re-Fit Kits

Great for updating bathtub trim to match faucets and accessories without having to remove the strainer drain from the tub. Easy installation with our universal stem and oversize stopper. Stem works with 3/8", 5/16" and 1/4" threads. Kit includes face plate, screw, adapter bar and Re-Fit stopper. Completely covers old strainer so drain looks like new.

JB Signature Cleaning Instructions

- 1) Do not use cleansers, soft scrub, alkali or acid based detergents. Cleaning products with a S.O.S. pad or Scotch Brite pad voids the warranty which includes PVD finishes, Celcon and chrome finishes.
- 2) Liquids like coffee or vinegar lying in the bottom of the sink basin will stain finishes.
- 3) To prevent water spotting, always wipe finishes dry with a clean soft cloth.
- 4) For normal cleaning, just wipe with a damp cloth and dry with a soft cloth.
- 5) Use of plumbers putty on our Celcon strainers and disposal trims will void the warranty. We recommend a quality bath and kitchen clear silicone caulk.

Chemicals

Gasoil® Soft-Set

Our top-selling general purpose PTFE sealant. Perfect for new work. Stays pliable in cold temperatures, non-hardening, non-separating, non-toxic. Not for use on oxygen.

Temperature range: -100°F to 600°F. Pressure range: 10,000 psi sealing liquids; to 3,000 psi sealing gases. Sold in case quantities only.

Item #	Description	Qty
SS01	1/8 oz. tube Gasoil® Soft-Set Thread Sealant	100
SS02	2 oz. tube	24
SS04	1/4 pint brush top can	24
SS08	1/2 pint	24
SS16	1 pint	12
SB32	1 quart	6
SS32	1 quart flat top cans	6

SS16

Gasoil® NT

Soft setting for applications requiring grit-free non-PTFE compounds. No fillers to contaminate gas lines. Use on pipes for potable water and food products. Not for use on oxygen.

Temperature range: -50°F to 400°F. Pressure range: 6,000 psi sealing liquids; to 3,000 psi sealing gases. Sold in case quantities only.

NT08	1/2 pint brush top can Gasoil®-NT Thread Sealant	24
NT16	1 pint	12

NT16

Gasoil® JC30 High Fill

For damaged, irregular, mis-cut and straight threads. Vegetable oil based, thick consistency. 10-15% more solids than conventional sealants. Forms a protective coating for valve stems and similar movable surfaces exposed to high humidity. Not for use on oxygen.

Temperature range: -250°F to 500°F. Pressure range: 10,000 psi sealing liquids; to 2,000 psi sealing gases. Sold in case quantities only.

JC04	1/4 pt brush top can Gasoil® High-Fill Thread Sealant	24
JC16	1 pint	12

JC16

Gasoil® Hard Set

Hard setting, fast-drying, red varnish sealant for permanent joint. Excellent resistance to all petroleum products, refrigerants, freons, propane, kerosene, steam and more.

Temperature range: -60°F to 350°F. Pressure range: 500 psi sealing face or butt joints; to 15,000 psi for threaded connections. Sold in case quantities only.

BT04	1/4 pt brush top can Gasoil® Hard Set	24
BT08	1/2 pint	24
BT16	1 pint	12
FT32	1 quart flat top	6

BT04

PLS2®

Lead-free, non-hardening, non-toxic opaque gray paste. Ideal for pneumatic and LPG applications. CSA and UL listed. Not for oxygen.

Temperature range: -100°F to 600°F. Pressure range: 10,000 psi sealing liquids; to 3,000 psi sealing gases. Sold in case quantities only.

PB04	1/4 pint brush top can	24

White Grease

White lithium grease. Will not run or drip on vertical surfaces. Use on chains, drives, hinges and other overhead surfaces.

Temperature range: -20°F to 275°F. Sold in case quantities only.

WG16	14 oz. aerosol White Grease	12
------	-----------------------------	----

WG16

Expanding Foam

Insulates and seals cracks, gaps and openings to create an air tight bond. 3 to 1 expansion factor. Dries to the touch in 30 minutes, cures in four hours. UL surface burn test: Flame Spread:10, Smoke Development: 15, Burn Temperature: 240° F. Sold in case quantities only.

EF12	12 oz. aerosol Expanding Foam	12
------	-------------------------------	----

EF12

Stainless Steel Polish

Polishes stainless steel and chrome surfaces in one application. Removes tarnish, residues oxidation and also leaves a repellent coating. Safe for use in food preparation areas. Sold in case quantity only.

SC16	16 oz. aerosol Stainless Steel Polish	12
------	---------------------------------------	----

SC16

Fas-Mark® Cap and Cover Paint

Fas-Mark® is a high solid, fast drying acrylic paint which can be applied to clean metal, wood, concrete, etc. Inverted spray can technology and a clean spray pattern means little or no over spray. Dries in 8 - 10 minutes. Offered in nine colors to mark and identify manhole and tank covers as noted below. VOC compliant. Aerosol 15 oz. cans. Sold by case.

FM15W	White for unleaded gasoline	12
FM15BL	Blue for mid-grade gasoline	12
FM15R	Red for premium gasoline	12
FM15P	Purple for racing fuel	12
FM15Y	Yellow for diesel fuel	12
FM15G	Green for heating oil	12
FM15BR	Brown for kerosene	12
FM15O	Orange for vapor recovery	12
FM15B	Black	12
