## ***GARLOCK COMPRESSED SHEET STORAGE INSTRUCTIONS***

- 1.) Store in a cool, dry area.
- 2.) Do not fold or bend.
- 3.) Do not expose to greases, oils, or solvents in liquid or vapor form.
- 4.) Prevent exposure to ultra-violet (UV) rays (direct sunlight, strong fluorescent lights).
- 5.) Do not store near devices which produce Ozone (O<sub>3</sub>).
- 6.) Following extended storage, carefully inspect the material for damage.
- 7.) If in doubt concerning any of the above provisions, consult the factory.

THE RECOMMENDED SHELF LIFE FOR ALL GARLOCK COMPRESSED SHEET IS 5 YEARS, BASED ON ABOVE STORAGE CONDITIONS.
