### Material Number 9035010PC, PC604-P - Adapter PEX x P – Wrot Copper

NIBCO press fittings are the fastest, easiest way to join PEX tubing systems. NIBCO® Press System® fittings are designed to join with PEX tube in residential and commercial water distribution, radiant floor heating, municipal water supply, geothermal climate control, snow melt and drip irrigation. The press fittings can also be installed underground. The NIBCO® Press System® is user friendly, quick and easy to install. When properly crimped a unique "N" witness mark is clearly visible. Please
