NiTex P-200

- **Exceptional Comfort & Breathability**

The thin foam coating is breathable to maximize comfort for extended period of time. Fine gauge knit nylon liner provides exceptional flexibility as well as padded protection.

- **Highly Durable**

Unique nitrile formula offers excellent abrasion and cut resistance. Machine washable.

- **Excellent Grip and Dexterity**

Nitrile foam coating offers a sure grip in dry, slightly wet, or oily environments.

- **Recommended Usage**
